Service Description

Through this service, you can issue a Certificate of Compliance with Preventive Safety Requirements for establishments classified as low-risk (A), medium-risk (B), or high-risk (C) after meeting all requirements for establishments that obtain a commercial licence from the Department of Economic Development.

Process Steps

1 Log in by using UAE PASS.

2 Submit the application and the required documents.

3 Receiving a notification for scheduling an inspection ((If required, regarding low risk (A)).

4 Actual site inspection (if required).

5 Obtaining a certificate of compliance (new).

6 Pay the fee to request a re-inspection (if required).

Completion Time

Time Duration 5 Working Day
